Lucas Fu

Full-stack Web Engineer

Summary

I am a web developer with more than 10 years of extensive experience developing, optimizing, and supporting web applications.

My main goal is to find solutions that meet all clients' requests with a focus on timely delivery. I also believe that accuracy and honesty are the keys to successful cooperation.

Work experience

Full Stack Developer — August 2020 - April 2022

GrowthDay

- Collaborated with the team members to identify business requirements to help determine the design of the application.
- Implemented complex UI components with React/TypeScript and SCSS and built from scratch admin platform using MERN stack.
- Implemented a mobile-first responsive design.
-
- Worked in an Agile software development team for proprietary software

React.js Developer — March 2019 - July 2020

Holidu

- Developed an Angular, RxJS, and Angular Material web app for seminars and webinars hosting in Firebase.
- Created a Node.js back end with Firebase cloud function and Firestore as the database while Google Storage was used as file storage.
- Took 100% responsibility for the project of planning, architecture, development, and deployment.

Software Engineer — July 2018 - February 2019

Morizon

- Developed a React, React hook, and Material UI front-end web app for a real estate tax calculation.
- Wrote Node.js back-end Firebase cloud functions for handling user authentication and Firestore data manipulation.
- Added Firestore and storage security rules for the database and storage access management.

Web Developer — July 2015 - June 2018

Ragnarson

- Integrated Redux on a number of React-based front-end projects for the better state management of React components.
- Built AWS Lambda functions with Node.js and configured an automated Git's pulling and deploying pipeline in AWS using Nginx, PM2, and Bitbucket webhooks.
- Created a new customized chart library using D3.js.
- Integrated Vue.js, Vuex, and Vuetify with a Laravel back-end.

Education

Bachelor degree of Computer Science — 2011 - 2015

McGill University
